WORK EXPERIENCE

RELEVANT EXPERIENCE

MULTIMEDIA JOURNALIST | WSLN 10 News (NBC) | June 2022 - Dec. 2024

- Created multimedia packages combining written articles, photography, and video to provide comprehensive coverage of breaking and community news.
- Delivered live reports and newscasts, as well as taped interview presentations, in a fast-paced newsroom.
- Adapted news content for digital platforms, including video, photography, and written storytelling.

MULTIMEDIA JOURNALIST | KOMU 8 News (NBC) | Jan. 2021 - May 2022

- Reported, wrote, shot, and edited original news stories for broadcast and digital audiences while meeting daily deadlines.
- Conducted interviews with community members, officials, and other sources to develop accurate, engaging stories.
- Pitched and developed story ideas while collaborating with newsroom staff from initial reporting through final production.

PRODUCER / MORNING ANCHOR | KOMU 8 News (NBC) | May 2021 - Aug. 2021

- Produced multiple daily newscasts, including 4:30 a.m., 5 a.m., 5 p.m., and 6 p.m. broadcasts, coordinating stories and content for air.
- Anchored the 4:30 a.m. morning newscast while collaborating with reporters, anchors, and photographers to execute live coverage.

GRAPHICS EDITOR | Columbia Missourian | Aug. 2021 - Dec. 2021

- Created graphics for newspaper articles and digital platforms to enhance visual storytelling.
- Designed production-ready digital content using HTML and CSS while meeting tight deadlines.

BROADCAST OPERATIONS | UNIVERSITY OF MISSOURI | Oct. 2018 - Jan. 2021

- Supported the technical production of Mizzou athletic broadcasts, including football, basketball, wrestling, and gymnastics.
- Operated broadcast cameras and served as a utility crew member responsible for equipment setup and breakdown.

ADDITIONAL EXPERIENCE

FAN SUPPORT AGENT | ESPN | March 2026 - Present

- Provided professional customer support by resolving account and service issues for ESPN users.

DELIVERY DRIVER | Amazon | Aug. 2021 - Dec. 2021

- Delivered packages efficiently and reliably while providing professional customer service and managing time-sensitive routes.
